Final Note by the Second Member of Council.

Subject:—

Conversion of the Government Annachattram at Kadur into a Rest-House.

These papers relate to the question of abolishing the chattram at Kadur and converting it into a rest-house.

2. The Deputy Commissioner of the Kadur District says that travellers to Chikmagalur and Mudigere Taluks and pilgrims to the Bababudan Darga have to break their Railway journey at Kadur and spend a portion of the day there before they resume their journey, that feeding in the chattram has been discontinued and rations only are distributed and that the existing arrangement may continue.

3. The object with which chattrams were founded was to afford relief to pilgrim travellers and it was never intended that every traveller, whether a pilgrim or not, should be fed in a chattram. Persons going to Chikmagalur and Mudigere, who are ordinary travellers, as distinguished from pilgrims, appear to have no right to be fed in the chattram. The pilgrims going to Bababudan Darga are mostly Mohemadans, who are not fed in a Government Annachattram.

4. As the utility of a chattram consists in providing cooked food to weary pilgrims and since the system of serving cooked food in this chattram has been discontinued, it seems that the ordinary travellers who resort to the chattram may as well purchase provisions and cook their own food.

5. For the above reasons, the chattram at Kadur has been proposed to be converted into a rest-house and this has been agreed to by the Dewan, Sir M. Kantaraj Urs. This proposal may be graciously approved.
